

# In Awe

## Youth for Christ

You're wonderful  
You're marvelous  
We stand in awe of you

You're all powerful  
You're excellent  
We stand in awe of you

There is no one else like you  
No one else like you

You're awesome in your ways  
Let all earth proclaim

There is no one else like you  
No one else like you  
We stand in awe of you  
We stand in awe of you
