

# We Don't Have To Take Our Clothes Off

[Ellie Lawrence](#)

Not a word, from your lips  
You just took for granted that I want to skinny dip  
A quick hit, that's your game  
But I'm not a piece of meat, simulate my brain, no  
The night is young, so are we  
Let's just get to know each other slow & easily, oh, oh  
Take my hand, let's hit the floor  
Shake our bodies to the music  
Maybe then you'll score, oh, oh  
So come on baby, won't you show some class  
Why'd you have to move so fast?  
We don't have to take our clothes off  
To have a good time, oh, no  
We could dance & party all night  
And drink some cherry wine, oh, oh  
Just slow down if you want me  
A man wants to be approached cool & romantically, oh, oh  
I've got needs just like you  
And if the conversation's good  
Vibrations through & through, oh, oh  
So come on baby, won't you show some class  
Why'd you have to move so fast?  
We don't have to take our clothes off  
To have a good time, oh, oh  
We could dance & party all night  
And drink some cherry wine, oh, oh
