That Girl

Mischa Daniels

I'll be up in the club, acting like I'm fff-faded
Just looking for someone till I can upgrade it
I came to have some fun, raise my glass up to the sun
Tonight I'm coming, I'm done
Cause all I see is girls, girls, all over the floor
See your girls that I wanna take home
Beautiful girls I can't take anymore
This kind of girls I'm looking for
I wanna get with that girl, that girl
I wanna get with that girl, that girl, oh, oh
I wanna get with that girl, that girl
I wanna get with that girl, that girl, girl, girl

The way she's moving like she's
working for tttt-tips
This chick is like dynamite and her
fuel is lit, lit, lit
This place about to blow, these girls taking control
I don't know which way to go!
Cause all I see is girls, girls, all over the floor
See your girls that I wanna take home
Beautiful girls I can't take anymore
This kind of girls I'm looking for

I wanna get with that girl, that girl
I wanna get with that girl, that girl, oh, oh
I wanna get with that girl, that girl
I wanna get with that girl, that girl, girl, girl
Oh, where my fly girls at tonight?
Oh, let me see them hands way up high
Oh, where my fly girls in
I wanna get with them, I wanna get with that girl
Oh, oh, oh, that girl, girl, girl, girl
Uh that girl!

Cause all I see is girls, girls,
all over the floor
See your girls that I wanna take home
Beautiful girls I can't take anymore

This kind of girls I'm looking for
I wanna get with that girl, that girl
I wanna get with that girl, that girl, oh, oh
I wanna get with that girl, that girl
I wanna get with that girl, that girl, girl, girl
