Miss Catalina 1992
Throwing pennies in a wishing well
Wishing on a love I wouldn't want myself
You wanna love in the zero
Love him in the key of Z
Daddy said that you were made for play
Never thought you'd turn out like that
And all your life spent in a dream
Waiting on a man in a golden limousine
Shooting star from a movie screen
Sorry babe but that's not the way things go
You want a magic man who walks on water
Millionaire looks like your father
And how I wish it wasn't so
Miss Catalina 1992
Throwing pennies in a wishing well
Wishing on a love I wouldn't want myself
You wanna love in the zero
Love him in the key of V
Daddy said you would turn out bad
You can't lose something that you never had
And all your life spent in a dream
Waiting on a man in a golden limousine
Shooting star from a movie screen
Sorry babe but that's not the way things go
You want a magic man who walks on water
Millionaire looks like your father
And how I wish it wasn't so
And all your life spent in a dream
Waiting on a man in a golden limousine
Shooting star from a movie screen
Sorry babe but that's not the way things go
You want a magic man who walks on water
Millionaire looks like your father
And how I wish it wasn't so
