

So Far Away

Avenged Sevenfold

Never feared for anything, never chained but never free
I tried to heal the broken love with all I could
Lived a life so endlessly saw beyond what others see
I tried to heal the broken love with all I could Will you stay
Will you stay away forever How do I live without the ones I love?
Time still turns the pages of the book its burned
Place and time always on my mind
I have so much to say but you're so far away Plans of what our futures hold
Foolish lies of growing old
It seems we're so invincible
The truth is so cold A final song, a last request
A perfect chapter laid to rest
Now and then I try to find a place in my mind
Where you can stay you can stay awake forever How do I live without the ones I love
Time still turns the pages of the book its burned
Place and time always on my mind
I have so much to say but you're so far away Sleep tight, I'm not afraid
The ones that we love are here with me
Lay away a place for me 'cause as soon as I'm done
I'll be on my way to live eternally How do I live without the ones I love?
Time still turns the pages of the book its burned
Place and time always on my mind
And the light you left remains but it's so hard to stay When I have so much to say and you're so far away
I love you, you were ready
The pain is strong and urges rise But I'll see you when He lets me
Your pain is gone, your hands are tied
So far away and I need you to know
So far away and I need you to need you to know
