Kottonmouth Kings

Let me break this bread so I can pop my colla
Put this shit down ya'll can call me a papa
I slide through let my motha fuckin nuts hang
Give a fuck like an old school gang bang
Double dash one time for your mind yo
Double Dash always got the hydro
With the cap and the coat to match
You don't like me in the front you can see me in the back (Whoa!)

Rock a party, smoke a blunt
I keep the crowd movin' when I'm up in the club
Rock a party, smoke a blunt
I keep the crowd movin' when I'm up in the club
Got em all singin' with there hands up
It feels so good, it feels so good
Got em all singin' not givin' a fuck
It feels so good so I wish you would
It feels so good when everything going right because,
You got your shit together and your bank rolls tight
It feels so good when your money stacks high and
You got a lot of weed and a big supply
It feels so good when every things going smooth and
You gotta a sexy girl to put you in the mood
It feels so good so I wish you would, it feels so good, it feels so good Now its time to get my boogie on and

Flows getting drunk lettin' all ya fools know
It feels so good when everything going right because,
You got your shit together and your bank rolls tight

It feels so good so I wish you would, it feels so good, it feels so goodNow I'm starting to get drunk time to get
