Sometimes

Spacemen 3

Sometimes I feel I'm pulling on a rope of sand
Sometimes I've got the world and you, babe, in my hand
But most of all, I dream that I had it all, had it all the time
All the timeSometimes you know the days they seem so very long
Sometimes my love for everything it seems so strong
But most of all, I dream that I had it all, had it all the time
All the timeSometimes it feels like heaven when you're in my arms
Sometimes you know I try so hard to do you no harm
But most of all I dream that I had it all, had it all the time
All the time
All the time... [x8]
