

# We Are All Made Of Stars

## Moby

Growing in numbers  
Growing in speed  
I can't fight the future  
Can't fight what I see  
'Cause people they come together  
Yeah, people they fall apart  
No one can stop us now  
'Cause we are all made of stars  
Efforts of lovers  
Left in my mind  
I sing in the reaches  
We'll see what we find  
'Cause people they come together  
And people they fall apart  
No one can stop us now  
'Cause we are all made of stars  
Yeah, people they come together  
And people they fall apart  
No one can stop us now  
'Cause we are all made of stars  
Slowly rebuilding  
I feel it in me  
Growing in numbers

Growing in peace  
'Cause people they come together  
And people they fall apart  
No one can stop us now  
'Cause we are all made of stars  
Yeah, people they come together  
And people they fall apart  
No one can stop us now  
'Cause we are all made of stars  
Yeah, people are all made of stars  
'Cause we are all made of stars  
'Cause we are all made of stars  
'Cause we are all made of stars  
'Cause we are all made of stars  
'Cause we are all made of stars

'Cause we are all made of stars  
'Cause we are all made of stars  
'Cause we are all made of stars  
'Cause we are all made of stars  
'Cause we are all made of stars  
'Cause we are all made of stars
