When you scream out loud hands down, hands down!
that's when i plan to rise up rise up!
When you scream out loud were doomed were doomed!
that's when i plan to prove myself too you! I've never got the simple through solidly
I've never seen the fun in you, killing you
I've always backed my words with what i do
I'll always buy my time to cover you I'll be my super hero number one!
I'll save me from myself! Riiiiiiiiiiiiiiiiight
