

# Wobble

## Remady P&R

All the shawties in the club, let me see you just  
Back it up, drop it down, let me see you just  
Get low, scrub the ground, let me see you just  
Push it up, push it up, let me see you just  
Wobble baby, wobble baby, wobble baby, wobble, yeah  
Wobble baby, wobble baby, wobble baby, wobble, yeah  
Wobble baby, wobble baby, wobble baby, wobble, yeah  
Wobble baby, wobble baby, wobble baby, wobble, yeah  
Get in there, yeah, yeah  
Get in there, yeah, yeah  
Get in there, yeah, yeah  
Get in there, yeah, yeah  
Ay big girl, make 'em back it up, yeah, make 'em back it up  
Ay big girl, make 'em back it up, yeah, make 'em back it up  
Ay big girl, make 'em back it up, yeah, make 'em back it up  
Ay big girl, make 'em back it up, yeah, make 'em back it up  
I got 'em shaking their boobies like congos  
Man, I'm shaking the city like quakes  
The haters blue in the face like gonzo  
'Cause I'm raking in cake, so let's bake  
I'm taking the game, the game's mine  
Y'all witness a change, it's my time  
Yeah, I'm new to the game but y'all might  
Wanna save ya whack raps, daylight saving time  
I could dance homie, I don't two-step  
Y'all looking at something like a true player  
A girl told me that a man that could dance  
Might could possibly get down with the tool in his pants  
Now all my ladies let me see you vibrate  
And when it's over you ain't gon' need ya  
'Cause I'm a pro, make ya bend ya back low  
Then just pound it real fast just like percolator  
Wobble baby, wobble baby, wobble baby, wobble, yeah  
Wobble baby, wobble baby, wobble baby, wobble, yeah  
Wobble baby, wobble baby, wobble baby, wobble, yeah  
Wobble baby, wobble baby, wobble baby, wobble, yeah  
Get in there, yeah, yeah  
Get in there, yeah, yeah  
Get in there, yeah, yeah

Get in there, yeah, yeah  
Ay big girl, make 'em back it up, yeah, make 'em back it up  
Ay big girl, make 'em back it up, yeah, make 'em back it up  
Ay big girl, make 'em back it up, yeah, make 'em back it up  
Ay big girl, make 'em back it up, yeah, make 'em back it up  
Girl wobble it and I'ma gobble it  
I see you moving your head to head bobbling  
We can cradle the bed, I'm straight rocking it  
The girls say my head like the head of a rocket ship  
Goddamn, I'm so explicit  
But I can't help it, my flow ridiculous  
Boy got a gift like it gotta be Christmas  
Swag don't miss like he gotta be gifted  
The girls brought cameras and they want pictures  
And they gon' frame 'em to see dat  
Led 'em to the bed while I'm sayin' my scriptures  
'Cause I leave ya holy like ya pray in the temple  
Want beat? I move with the lead of a pencil  
And mine won't miss you, goodnight kiss you  
Take a band back 'cause you got pistols  
And I don't think bounty pickin' up these issues  
Wobble baby, wobble baby, wobble baby, wobble, yeah  
Wobble baby, wobble baby, wobble baby, wobble, yeah  
Wobble baby, wobble baby, wobble baby, wobble, yeah  
Wobble baby, wobble baby, wobble baby, wobble, yeah  
Get in there, yeah, yeah  
Get in there, yeah, yeah  
Get in there, yeah, yeah  
Get in there, yeah, yeah  
Ay big girl, make 'em back it up, yeah, make 'em back it up  
Ay big girl, make 'em back it up, yeah, make 'em back it up  
Ay big girl, make 'em back it up, yeah, make 'em back it up  
Ay big girl, make 'em back it up, yeah, make 'em back it up  
All the shawties in the club, let me see you just  
Back it up, drop it down, let me see you just  
Get low, scrub the ground, let me see you just  
Push it up, push it up, let me see you just  
Wobble, wobble, shake, shake it, shake it, just give it here  
Wobble, wobble, just push it, push it, just give it here  
Show me whatcha got, show me whatcha got, just give it here  
Show me whatcha got, show me whatcha got  
Ay big girl, make 'em back it up, yeah, make 'em back it up  
Ay big girl, make 'em back it up, yeah, make 'em back it up  
Ay big girl, make 'em back it up, yeah, make 'em back it up  
Ay big girl, make 'em back it up, yeah, make 'em back it up

Wait a minute now

Wait a minute now

Wait a minute now

Wait a minute now

Wobble baby, wobble baby, wobble baby, wobble, yeah

Wobble baby, wobble baby, wobble baby, wobble, yeah

Wobble baby, wobble baby, wobble baby, wobble, yeah

Wobble baby, wobble baby, wobble baby, wobble, yeah

Get in there, yeah, yeah

Get in there, yeah, yeah

Get in there, yeah, yeah

Get in there, yeah, yeah

Ay big girl, make 'em back it up, yeah, make 'em back it up

Ay big girl, make 'em back it up, yeah, make 'em back it up

Ay big girl, make 'em back it up, yeah, make 'em back it up

Ay big girl, make 'em back it up, yeah, make 'em back it up
