

# Baby Doll

## Freddie Fingers Lee

Girl you don't know what you are to me

You are my baby doll

You are my compass star

You drive me up the wall

Girl you don't know what you mean to me

You are my everything

You are my alien

From S-p-a-c-e

Please don't go

Wait

I just met you

Please don't go

Wait

I just met you

Please don't go

Wait

I just met you

Girl I feel just like a bird

Though I am just a nerd

I could fly around this world

With power from this word

We'll bring the desert rain clouds

Fuck reality and doubt

Well they'll be vultures I see

They'll chase me

Girl I'm flying with thee

Roses are red

Yellow and white

Where have you been all my life

Violets are blue

And I'll be too

If you leave

'Cause I just met you

Please don't go

Wait

I just met you

You're my pop rocks

You're my cotton candy

When the beach is hot and sandy

You're my water  
You're my morning shower  
Subconscious melody  
You're my LSD

Someone's perfect daughter  
Roses are red  
Yellow and white  
Where have you been all my life  
Violets are blue  
And I'll be too  
If you leave  
'Cause I just met you  
Roses are red  
Yellow and white  
Where have you been all my life  
Violets are blue  
And I'll be too  
If you leave  
'Cause I just met you  
Roses are red  
Yellow and white  
Where have you been all my life  
Violets are blue  
And I'll be too  
If you leave  
'Cause I just met you

I'm Sorry  
But I got to  
Got to go  
I gotta go  
I just met you  
I'm Sorry  
But I got to  
Got to go  
I gotta go  
I just met you  
I'm Sorry  
But I got to  
Got to go  
I gotta go  
I just met you  
I'm Sorry  
But I got to  
Got to go

I gotta go  
I just met you
