

Roses In December

[Vera Lynn](#)

Roses in December for you.
Shall I take the stars from the blue?
Or would you like the moon upon a platter?
It doesn't matter. What can I do for you? If you'd like the spring in the fall.
It would be no trouble at all.
Give me your love and I can make the most impossible things come true.
Blue shadows never, sunshine forever,
Roses in December for you.
