

She's Got A Way

Billy Joel

She's got a way about her
I don't know what it is, but I know that I can't live without her
She's got a way of pleasin'
I don't know why it is, but there doesn't have to be a reason anyway
She's got a smile that heals me
I don't know why it is, but I have to laugh when she reveals me
And she's got a way of talkin'
Don't know why it is, but it lifts me up when we are walkin' anywhere
She comes to me when I'm feelin' down, inspires me without a sound
She touches me and I get turned around
She's got a way of showin'
How I make her feel and I find the strength to keep on goin'
And she's got a light around her
And everywhere she goes, million dreams of love surround her everywhere
She comes to me when I'm feelin' down, inspires me without a sound
She touches me, I get turned around
She's got a smile that heals me
I don't know why it is, but I have to laugh when she reveals me
And she's got a way about her
I don't know what it is, but I know that I can't live without her anyway
