Wait For You

INOJ

Sitting here thinking
of the summer we shared
and how u went away baby
you never knew i cared
your picture on my pillow.. tears down the side
i'll never will forget you baby i need you in my life
(chorus)
dont you wanna wait for me
like I wait for you
do you ever think of me
like how I think of you
dont you wanna wait for me..mmmm..see
you're so far away babe
but you were on my mind
holding hands on the boardwalk.. on our favorite ride ooh..
on the beach where we met aww baby...footsteps in the sand
i remember like yesterday, reflections of your hands(chorus)
dont you wanna wait for me
like i wait for you
do you ever think of me
like I think of you
dont you wanna wait for me
like how i wait for youSitting here thinking, of the summer we shared
and how you went away baby
you never knew i cared *no*
your picture on my pillow, tears down the side
i never will forget it baby
i need you in my life
