On My Knees

Wayland

Still lucky to be alive
So many times Ive been here on the edge of this knife
Theres a hole in the ground
A man he waits for me but doesnt make a sound
Im in the middle of road
In the calm before the stormIm not giving in not breaking down
Just on my knees
Ive got to get my feet back on the ground
Cause Im on my kneesTryin to survive
Chasing a dream that lives somewhere in the night
Like a shadow over me
Im runnin from someone I can never really seeIts a cry for help
I need to save me from myselfIm not giving in not breaking down
just on my knees
Got to get my feet back on the ground
Cause Im on my kneesNot giving up this time no never going to let go
Ill make it back to life in one piece I know
Been living on the edge, for so long
Last chance to hold on
I cant be to strongAnd I wont let go
No matter how hard
Cause I cant go back
No I cant go backIm not giving in not breaking down
Im just on my knees (on my knees)
Got to get my feet back on the ground
Cause Im on my kneesIm not giving in not breaking down
Im just on my knees (on my knees)
Got to get my feet back on the ground
Cause Im on my knees
