

End Of All Days

Farmer Boys

build a house on sand
and watch it sink
into the ocean blue
build a house of cards
and watch the wind blow throughplay a grown-up game
with grown-up names
and plastic surgery
build a house on sand
and watch it disappearall the plans you made
and prayers you prayed
are lost in yesterdaythis is the end
the end of all days
marking time
for the very last daywrite a memo in your organizer
that nothing is for sure
mark your calendar
and strike tomorrow throughall the plans you made
and prayers you prayed
are lost in yesterdaycause this is the end
the end of all days
marking time
for the very last daythis is the end
the end of all days
marking time
for the very last dayit the end of all days
