## Wide Eye Panic

You're insane.  
You didn't have to be that way.  
Take the blame.  
This process left to your disdain.

Philistine, pat your back and give yourself a hand.  
It seems you'll never learn.  
Pick and choose.  
For the path we lead affects more than yourself.  
I doubt you knew.

You're insane.  
You didn't have to be that way.  
Take the blame.  
This process left to your disdain.

Struck a nerve, won't agitate the mass to weep aloud.  
No use by now.  
End on end, shuffle through a life subject to the blind eye.  
Please stand by while you're put in line, fed your paid announcement.  
Just pass the time with what's on clearance.

Pay attention 'till the morning light.  
You can purchase 'till the morning light.  
Will you understand, understand?  
Can you understand, understand?  
We have slept far too long.  
We are not meant to be a dream, so wake up.

We're fed by shit!  
So, buy more shit!  
So, buy more shit!  
We're fed by shit!  
So, buy more shit!  
So, buy more shit!  
We're fed by shit!  
So, buy my shit!  
So, buy my shit!  
We're fed buy shit!  
I'll buy your shit!

I'll buy your shit!

Our eyes clarify in time the leaders wish.  
Pride helps us to confirm ones dying wish.
