So Into You (Gordon Raphael's Mix)

Wildhearts

I like your big decisions
But I love the way you change your mind
I like your strength of vision
But I love the way that love is blind
I like that you've got bigger balls that almost all of
The Special Forces
And I need you leaving me like UFO's need horsesSo into youI like when you've got opinions
But I love that you never take a side
I like that you ain't into millions
But I love that you expect me to provideI like the way you make me feel
And if this ain't real, then I ain't breathing
And I love that you've given me exactly what
I was needingSo into youI like your calm dependence
And I like your way with patience
I like your understanding
But I love what you're demanding
I like your taste in outfits
But I love your taste in misfits
And I know that when the shit fits
The toughest teeth grit: 'cause this is itSo into you
