Atlantis

Birds Of Fire

It's so new,
Feels unused
I?ve never met anyone like you
Frightening, feeling naked
Senses searching something sacred
I'll forget you not
I'll forget you not
I'll forget you not
I?ll look for you maybe
Where'd you go? Where'd you go?
Where'd you gooooooooooo?
Where'd you go? Where'd you go?
Where'd you gooooooooooo?
Go! Where'd you go?
Where'd you gooooooooooo?
Where'd you go? Where'd you go?
Where'd you gooooooooooo?
I'm exhausted, with loving
No fight in me; I'm defeated
I'm fooled, I can't help it
You make my heart so helpless

And I?ll forget you not
I?ll forget you not
I?ll look for you
For you maybe, not
I?ll forget you not
I?ll forget you not
I?ll look for you maybe
Where'd you go? Where'd you go?
Where'd you gooooooooooo?
Where'd you go? Where'd you go?
Where'd you gooooooooooo?
Go! Where did you go?
Where'd you gooooooooooo?
Where'd you go? Where'd you go?
Where'd you gooooooooooo?
Where'd you go? Where'd you go?
Where'd you gooooooooooo?

Where'd you go? Where'd you go?
Where'd you goooooooooo?
Go! Where did you go?
Where'd you goooooooooo?
Where'd you go? Where'd you go?
Where'd you goooooooooo?
