

The Swon Brothers

Tan legs sticking to the seat, the AC's broken, broken
 Dash too hot for your feet and girl it's smoking, smoking
 Heat wave's here to stay here baby, it's heavy, heavy
 Gonna melt us both away if we let it, let it Ooh, it's ninety-five
 Ooh, that mercury's rising Black top so hot you can fry an egg
 Got your two piece underneath, let's head
 Out to the lake cause we're jumping in, yeah we're jumping in
 You and me, we're gonna beat this weather
 Get a little cooler, get a little wetter
 A little chill, kick it back, unwind
 Let's put this day on ice, it's ninety-five Got a rope tied off to a limb that needs a little swinging, swinging
 Got a cooler filled up to the brim that needs a little drinking, drinking Ooh, it's ninety-five
 Ooh, it's summertime Black top so hot you can fry an egg
 Got your two piece underneath, let's head
 Out to the lake cause we're jumping in, yeah we're jumping in
 You and me, we're gonna beat this weather
 Get a little cooler, get a little wetter
 A little chill, kick it back, unwind
 Let's put this day on ice, it's ninety-five Ooh, it's ninety-five
 Ooh, that mercury's rising
 Ooh, it's ninety-five
 Ooh, it's summertime Black top so hot you can fry an egg
 Got your two piece underneath, let's head
 Out to the lake cause we're jumping in, yeah we're jumping in
 You and me, we're gonna beat this weather
 Get a little cooler, get a little wetter
 A little chill, kick it back, unwind
 Let's put this day on ice, it's ninety-five
