

Dead Air

The Dissidents

Three seconds was the time
The radio was on the line
People sit at home and stare
Watch themselves in the mirror
They thought it would be rare

To listen to dead air

Two seconds are down
Ten thousand watt town
No one really cares
They don't think it's fair
They thought it would be rare

To listen to dead air

All the seconds are gone
Must play another song
Now the people don't care
They don't think it's unfair
And now it's not rare

To listen to dead air

Empty space had filled the room
Music must resume
