Albert Hammond, Jr.

Inside me there's a sad machine
Wants to stop movin'
I disagree for the things you do
You should stop doin', ohAll the while
All the whileI want my frustrations
To know that you are alright
Not what I was doin'
You played a foolHold my head it's about to fall
All that is happenin'
Get what you would've changed to me
If you had it comin', ohAll the while
All the whileI want my frustrations
To know that you are alright
Not what I was doin'
You played a foolI want my frustrations
To know that you are alright
Not what I was doin'
You played a fool
