

# Stars

## Lacuna Coil

Is it asking too much to be given time  
To know these songs and to sing them  
Is it asking too much of my vacant smile  
And my laugh and lies that bring them As the stars are going out  
And this stage is full of nothing  
And their friends have all but gone  
For my life, my God I'm singing We'll take our hearts outside  
Leave our lives behind  
I'll watch the stars go out We'll take our hearts outside  
Leave our lives behind  
I'll watch the stars go out Is it asking too much of my favorite friends  
To take these song for real  
Is it asking too much of my partner's hands  
To take these song for real As the stars are going out  
And this stage is full of nothing  
And their friends have all but gone  
For my life, my God I'm singing We'll take our hearts outside  
Leave our lives behind  
I'll watch the stars go out We'll take our hearts outside  
Leave our lives behind  
I'll watch the stars go out We'll take our hearts outside  
We'll take our hearts outside We'll take our hearts outside  
Leave our lives behind  
I'll watch the stars go out We'll take our hearts outside  
Leave our lives behind  
I'll watch the stars go out We'll take our hearts outside  
Leave our lives behind  
I'll watch the stars go out  
(Leave our lives behind)
