Nightcore

Dam dadi doo
Dam dam didoodi dam
Dam dadi doo
Dam dam didoodi dam
Dam dadi doo
Dam dam didoodi dam
Dam dadi doo
Dam dam didoodi dam

When the morning come come
I'm dancing like you're dumb dumb
And when the groove is high
When dummies jump to sky

If you feel the groove groove
The dummies have to move move
Can you feel the beat
The beat
The beat

You never tell me what is wrong
Cause now it's time to be alone
Let me love you everyday
So long you let the dummies play

Dance to the beat
Dance dance to the beat
Dance to the beat
Dance dance to the beat

Dam dadi doo
Dam dam didoodi dam
Dam dadi doo
Dam dam didoodi dam
Dam dadi doo
Dam dam didoodi dam
Dam dadi doo
Dam dam didoodi dam

Dance dance to the beat

They tell me let's go home home
The party going on on
We only have to dance
Till dummies fall to trance

If you feel the groove groove
The dummies have to move move
Can you feel the beat
The beat
The beat

You never tell me what is wrong
Cause now it's time to be alone
Let me love you everyday
So long you let the dummies play

Dance to the beat
Dance dance to the beat
Dance to the beat
Dance dance to the beat

Dam dadi doo
Dam dam didoodi dam
Dam dadi doo
Dam dam didoodi dam
Dam dadi doo
Dam dam didoodi dam
Dam dadi doo
Dam dam didoodi dam
Dam dadi doo
Dam dam didoodi dam
Dam dadi doo
Dam dam didoodi dam
Dam dadi doo
Dam dam didoodi dam
Dam dadi doo
Dam dam didoodi dam

You never tell me what it wrong
Let me love you everyday

Dam dadi doo
Dam dam didoodi dam
Dam dadi doo

Dam dam didoodi dam

Dam dadi doo

Dam dam didoodi dam

Dam dadi doo

Dam dam didoodi dam
