

# Consider This

## Aaron Pritchett

Things don't always work out like you plan  
But you can't let that hold you back from tryin' again  
I've been fallin' for you, you need not fear  
I've got this proposition I think you should hear  
Consider this, living life together  
Consider this, seeing the world  
Consider this, building a home of our own, a front porch, picket fence and 3 kids  
Girl you and I we can't miss  
Consider this  
Consider this  
Everyday is a new day, take it as it comes  
Theres a world out there waiting so seize it and run  
You've got nothin' to lose, and everything to gain  
Won't you please consider what my heart has to say  
Consider this, living life together  
Consider this, seeing the world  
Consider this, building a home of our own, a front porch, picket fence and 3 kids  
Girl you and I we can't miss  
Consider this  
We can watch every sunset  
Every storm roll in over the shore  
Through the good and the bad girl we'll have our love  
This could be everything you've dreamed of and more  
Consider this, living life together  
Consider this, seeing the world  
Consider this, building a home of our own, a front porch, picket fence and 3 kids  
Girl you and I we can't miss  
Consider this  
Consider this  
Consider this.. seein the world  
Consider this.. buildin a home  
Consider this.. a front porch, picket fence  
Consider this.. 3 kids  
Consider this.. maybe 2 kids  
Consider this.. every sunset  
Consider this.. every storm
