

Queen Of Hearts

David Coverdale

She was the keeper of all my reason
Possessor of all I owned
She kept me on the edge of darkness
With words as cold as stone
Then you came along
Your eyes were flashing with desire
Oh babe, you got me burning, so much
You got my soul on fireHoney, you move me
You got me so I can't sleep at night
You tell me you believe in me
And you say you're gonna treat me rightYou gave me the answer
I knew right from the start
I'm gonna tell you, holy roller
They say that love's a gamble
But, I got the queen of heartsIf I could touch the crystal silence
That we have after making love
Just to tell you I need you here
In the glow of the stars aboveIf you ever leave, or deceive
Or fool around
You could be right
You could be wrong
But, woman, I know I'll miss you
When you're goneHoney, you move me
Like the wind thro' a willow tree
Ain't no doubt about it, baby
You make the blind man seeYou gave me the answer
I knew right from the start
I'm gonna tell you, holy roller
They say that love's a gamble
But, I got the queen of heartsYou drive me crazy when you walk
Crazy when you talk
Crazy when you walk with meYou gave me the answer
I knew right from the start
I'm gonna tell you, holy roller
Gonna tell you, holy roller
You're the queen of heartsYou gave me the answer
I knew right from the start
I'm gonna tell you, holy roller

You're the queen of hearts...
