

Lay Lady Lay

Duran Duran

Lay lady lay, lay across my big brass bed.

Lay lady lay, lay across my big brass bed. Whatever colors you have in your mind
I show them to you and you see them shine. Lay lady lay, lay across my big brass bed,

Stay lady stay, stay with your man a while.

Until the break of day, let me see you make him Smile. His clothes are dirty but his, his hands are clean
And you're the best thing that he's ever seen. Stay lady stay, stay with your man a while. Why wait any longer
for the world to begin

You can have your cake and eat it too

Why wait any longer for the one you love

When he's standing in front of you, ooh ooh Lay across my big brass bed.

Stay lady stay I long to see you in the morning light

I long to reach for you in the night Stay lady stay, stay while the night is still ahead Lay lady lay...

Stay... stay!...

Ahhh ahhhhhhh

Ohhhh
