Yes, we finna set this shit off
On the 1 and 2 and 3
On the 1, 2, 3Got a nigga, me and him, we be chillin'
We like to kick it, he be feelin' what I'm feelin'
We got plans, understand, he want some children
'Cuz together, we forever so appealin'You'se a cute picture, I'm finna get with ya
Put it on you, make you wonder what hit ya
The type of nigga makin' 7 figures
Every girl be after them, go sugarAnd he talk slicker, he pack a big kicker
Best to do it yet the way his tongue flicker
Oh, a good looker, I gotta book ya
Tell them girls to get back 'cuz I already took yaMy man be doin' me right, girl
Doin' me right, doin' me right
He give me what I like, girl
What I like, what I likeWe make love all night, girl
My man be doin' me right, girl
Doin' me right, doin' me rightMy baby not a playa, he's with me everywhere
And when I'm feelin' down, he tells me, Baby, stay up
He's always straight up and never will we break up
He call to say I love you, that's how we'd make upTrips to Jacob like a snow flaker
Shine so bright, he make the dead wake up
Great lover, how to handle favor
Keep my face sweaty 'til there is no more make upMy man be doin' me right, girl
Doin' me right, doin' me right
He give me what I like, girl
What I like, what I likeWe make love all night, girl
My man be doin' me right, girl
Doin' me right, doin' me rightIt feels so good to be so in love
And to have someone right by your side
Treatin' you right and doin' you right
He knows what's best for me
And he'll do anything
To keep me happy, my manMy man be doin' me right, girl
Doin' me right, doin' me right
He give me what I like, girl
What I like, what I likeWe make love all night, girl
My man be doin' me right, girl
Doin' me right, doin' me right1 and 2 and 3
1 and 2 and 3

1 and 2 and 3
