(feat. Adrian Younge)

Yeah yeah y'all y'all

My duices stand, my guns bust the sounds

I'm a black vision.killer pro valence,

is the rebirth.rise through the.

they took out stucks but the light shines within

it's the all.and the murder is ghostface

body's dropped the ous left for cold case

Colombian neck times in my black gambino

bodies get dumped in the black El Camino

it's rino gangsta wars money power respect

revenge is felt like the heat from attack

time the guns are relevant I'm pull the proof now,

fly through the end duck your chick a pal

black super hero crime boss archin nemeses

good verse eatin since the first book a.

battle to the end that's the way of the thriller

and stucks we're born as the Ghostface killah

Yeah yeah, no one could get iller,

murd us, bodies choppin to zip locks

killer be killed on this covered old street blocks,

crime boss I call one of the Lucas,

watch my eyes turn red, I got a squad from the shooters,

murder murder, kill kill kill

when the gas. I'ma put the smoke street real.

hard time to caple on.be headed to drive em

left us in the back with no time as a survivor

roll dog spittin the mouth

disappear as warm kill the beast,

crippling from their knees,

take their legs out you know the steeves

from the night on, .power of my control

faster than speed of light, we catch the big hoe,

rootless, six bodies hung in the mid road

to put the shine I call nobody shine,

stuck in the bottom, kill normal way.

call my name in your skin

pull us stuck a man.face to recognition

no time for a mission, attack till they no one left in a position

and you turn it the worst case scenario  
ghostface attack so Atlanta now.  
Their stucks is reborn, reborn as the gold  
Ghostface Killah  
Murders, bodies chocolate to zip locks,  
killer be killed on this covered street blocks,  
crime boys, I call boy at the.  
watch my eyes turn red I got the squad full of shooters  
murder murder, kill kill kill  
when you gas .I'ma put the spark to the grill,  
murder murder, kill kill kill  
watch the body can't rise when the face gets real.
