

# The City Is At War

## Cobra Starship

The city is at war, a place among the young and rich  
Ignore me if you see me 'cause I just don't give a shit  
The city is at war, bless the young and rich  
With designer drugs and designer friends  
The city is at war, a place among the young and rich  
Ignore me if you see me 'cause I just don't give a shit  
The city is at war, bless the young and rich  
With the designer drugs and designer friends  
Here's how it goes, it's about who you know  
If you got money, you get in for free  
Get on your knee's, if you want to reach the top  
Your body never stops, never stops, don't stop, don't stop, no  
Come on, stick around and see how it ends  
Get the money and run, meet me at the parking lot  
Bang, bang, shoot 'em up, yeah  
The city is at war, a place among the young and rich  
Ignore me if you see me 'cause I just don't give a shit  
The city is at war, bless the young and rich  
With the designer drugs and designer friends  
This little girl was alone in the world  
Until she found a way to get it fixed for free  
Oh, pretty please, it breaks my heart to see, another tragedy  
She finally got her picture on TV  
Come on, live it up while you can  
But always in the end, no, you don't get another shot  
Bang, bang, shoot 'em up, yeah  
The city is at war, a place among the young and rich  
Ignore me if you see me 'cause I just don't give a shit  
The city is at war, bless the young and rich  
With the designer drugs and designer friends  
The city is at war  
The city is at war  
The city is at war, war, war  
Bang, bang, shoot 'em up, shoot 'em up, yeah  
Bang, bang, shoot 'em up, shoot 'em up, yeah  
Bang, bang, shoot 'em up, shoot 'em up, yeah  
Bang, bang, shoot 'em up, shoot 'em up, yeah
