## Hooverphonic

(both) Badaboum

(male) Badaboum

(both) Badaboum

(male) Badaboum(both x2)

(Badaboum) Hey ho, t'es tombé sur un salop

(Patatras) Qui pas c'est surement celui de trop!(male)

(Badaboum) Baby, don't you know?

You gotta suck it up and let him go.

He calls you baby, but can't you see?

You're gonna wind up in a mess like me.(female)

No, you didn't understand,

He's an innocent man.

Nothing to do when you see mr. Ben

He's under my thumb.

(male)

No, you know that's a lie,

He won't be happy till he makes you cry(both x2)

(Badaboum) Hey ho, t'es tombé sur un salop

(Patatras) Qui pas c'est surement celui de trop!(male)

(Badaboum) Baby, don't you know?

It really hurts to see you suffer so.

He calls you baby, but can't you see?

You're only living in a fantasy.(female)

No, you misunderstood,

When I said he was good.

I simply know he does me like you never could.

When I'm under his thumb and he's making me...

(male)

Baby, there's a way you feel as best I go(both x2)

(Badaboum) Hey ho, t'es tombé sur un salop

(Patatras) Qui pas c'est surement celui de trop!
