

Searching for the Truth

[Edwyn Collins](#)

I'm searching for the truth
I'm searching for the truth
Some sweet day we'll get there in the end
Some sweet day we'll get there in the end And I will always be lucky in my life
And I will find a way to get there, to get there I'm searching for the truth
I'm praying for the truth
Some sweet day we'll get there in the end
Some sweet day we'll get there in the end
Some sweet day
