

# Beautiful News

**Matt Redman**

Joy is the theme of my song  
And the beat of my heart  
And that joy is found in You  
For You showed the power of Your cross And Your great saving love  
And my soul woke up to You  
I heard Your beautiful news  
Grace so amazing, so true Shout it out, let the people sing  
Something so powerful should shake the whole wide world  
Make it loud, make it louder still  
Savior we're singing now to celebrate Your beautiful news There's a God who came down to save  
Showed the world His amazing grace  
There's a God who came down to save  
And He calls your name
