

# Miss You When I'm Drunk

[Nikki Yanofsky](#)

I only want you when I'm wasted  
I only call you when I'm gone  
And when the morning comes  
I'll be moving on  
I only miss you when I'm drunk We had our fun  
But now we're done  
And I told you I'm cool with that  
We both agreed that you should leave  
A goodbye before things got bad And I'm fine  
I swear  
Most of the time you don't even cross my mind  
But boy when I'm out  
And I'm thinking out loud  
I go back to better times  
I only want you when I'm wasted  
I only call you when I'm gone  
And when the morning comes  
I'll be moving on  
I only miss you when I'm drunk You know it's wrong  
But you play along  
Telling me what I wanna hear  
The party's loud so I go out  
And I say I wish you were here  
You laugh that laugh that's bringing me back I can picture you through the phone  
I say you know I'm out  
I'm just thinking out loud  
But man I wish you were home  
I only want you when I'm wasted  
I only call you when I'm gone  
And when the morning comes  
I'll be moving on  
I only miss you when I'm drunk Yeah in the light of day  
I know that we did all we can do  
When I feel this way  
I take another shot with you, boy I only want you when I'm wasted  
I only call you when I'm gone  
And when the morning comes  
I'll be moving on  
I only miss you when I'm drunk I only want you when I'm wasted

I only call you when I'm gone  
And when the morning comes  
I'll be moving on  
I only miss you when I'm drunk I only want you when I'm wasted  
I only call you when I'm gone  
And when the morning comes  
I'll be moving on  
I only miss you when I'm drunk
