Jorge Well

Jorge Ben

Mama
Mama
Mama

Take it easy, girl
I am here
Take it easy, girl
I am Jorge Well
Come on, my baby

Take it easy, my girl
Just you wait for me
I am here
Please, it's me
Come and dance bossa nova
Come and dance with me

I dance very well
Because I am Jorge Well
Ask it, my mama
Ask it, my mama
Take it easy, girl
I am here
Take it easy, girl
I am Jorge Well
