Something I Need

Clean

I had a dream the other night,
About how we only get one life,
It woke me up right after two,
I stayed awake and stared at you ,
So I wouldn?t lose my mind
And I had the week that came from hell,
And yes I know that you could tell,
But you?re like the net under the ledge,
When I go flying of the edge,
You go flying of as well
And if you only die once
I wanna die with
(2x)
You got something I need,
In this world full of people there?s one killing me
And if we only die once I wanna die with you
Last night I think I drank too much,
Yeah, call it a temporary crutch,
With broken words I tried to say,
Honey don?t you be afraid,
?Cause we got nothing we got us

And if you only die once
I wanna die with
(2x)
You got something I need,
In this world full of people there?s one killing me
And if we only die once I wanna die with you
I know that we?re not the same
But I'm so damn glad that we made it to this time,
this time now
You got something I need,
Yeah, in this world full of people there?s one killing me
And if we only die once I wanna die with you
(2x)
You got something I need,
In this world full of people there?s one killing me
And if we only die once I wanna die with you
If we only die once, I wanna die with

If we only live once, I wanna live with you
