

Don't Cut Yr Hair

[Mishka Shubaly](#)

The potato peelings in the sink did not turn into vodka as i had hoped.

I only start to need a drink after the liquor stores are closed.

You left a bunch of dirty kleenex underneath the mattress like an unwanted batch of kittens.

Everybody's got secrets and I've forgotten but I don't mistake it for forgiving.

I heard you changed your name again but don't you change your hair.

It was the only thing I liked about you in the end.

La la la ah ah.

A woman on crutches buying a pregnancy test at safeway the woman at the laundromat can't meet my eyes girls
at the bus stop the stripper downstairs knows some of the girls in some of the movies that I watch sometimes.

A woman calling on the telephone who's impatient her voice sounds like whiskey and milk no I can't pay the
bill but please call back I've got to know that you're alright.

I heard you changed your name again darling but don't you change your hair.

It was the only thing I liked about you in the end la la la I heard you changed your name again but don't you
change your hair.

It was the only thing I liked about you in the end
