# Ain't No Shadow

## Terry Reid

There ain't no shadow
Baby when you're gone
There ain't no shadow
Baby when you're wrong
There ain't no shadow
Baby when you're wrong
Cos there ain't no shadow
Baby when you're goneDon't undo it
With a key to be found
I made a move... on you, yeah
Make it fill up
Anything now
Talk it out of love, hey, watch your cover
Why you want to really to stand and
See you lose it now
Anticipating
Yes I bring it all on for youTell it to the rhythm shadow
Baby when you're wrong
What the hell is the shadow baby
Really onAin't no shadow
Baby when you're gone
Ain't no shadow
Baby when you're wrong
Ain't no shadow
Baby when you're wrong
Yeah really have
Just bring it onSo when I made a move, oh yeah
The words don't come
See, try it on in prayer
Cos it's been so long
It's got no use
How abused I've been
Put it round in a double deck of peter factor eleven
Tried to come down on you
If it tells ya to get your ass down hereThere ain't no shadow
Baby when you're gone
Hey this is the shadow
Bet you really are
Ain't, ain't, ain't no shadow

Ain't, ain't, ain't no shadow
