Coal Miners' Song

Nico Vega

I will dance upon the moon in a graveyard full of man.
I'll paint my lips all black and blue and wear them white diamonds.
I'll curtsy to the only friend that I have ever had,
And blow a kiss to the Milky Way in hopes that he ain't mad.
I'll drive a bus to Venus where I'll meet them small blue man.
And all my secrets I will tell to every one of them.
