Sofa Of My Lethargy

Supergrass

I wandered for a while
I didn't have that far to go
Waiting for a letter
Only to discover that I'm not the sameI know it to be true
You're only gonna to go again
Standing at the harbor
There is only water to be talking toI sold it to the trees
I didn't know which way to go
Underneath the harbor
Waiting for the sun to settle downI own it to your dreams
They always seem to bring me round
Waiting at the harbor
There is only water to be talking toHold on now, all I wanna do is see you
But everybody is here just sitting round staring at the ceiling
What you gonna find in your mixed up minds when you're dreaming?
Could be we're not like you at allHold on now, all I wanna do is see you
But everybody is here just sitting round staring at the ceiling
Funny what you find in your mixed up mind when you're dreaming
Maybe we're not like you at all
