

Tonight

Matthew Mayfield

Where am I headed?
Got my back against the wall
Canâ€™t move on, canâ€™t move forward
When Iâ€™m up against it all
For you, I know
I must let you go
Everybody waits in line
For you

Tonight
I feel like giving up this right
Oh this right
Tonight
I donâ€™t feel like filling up the ocean, the openness in you

Iâ€™ve got my ideas
And theyâ€™re turning circles in a song
Cover my eyes, keep my ears closed
But youâ€™re been singing all along
But you donâ€™t know
I can let you go

Tonight
I feel like giving up this right
Oh this right
Tonight
I donâ€™t feel like filling up the ocean, the openness in you

These reasons, these reasons theyâ€™re calling
I donâ€™t wanna make this mistake
These demons, these demons theyâ€™re falling, theyâ€™re falling

Tonight
Tonight
I feel like giving up this right
Oh this right
Tonight
I donâ€™t feel like filling up the ocean, the openness in you
