

# Gate 22

## Pascale Picard

I won't try to argue now  
Anyway I feel there's nothing I could say  
To ease your mind  
Maybe there's nothing exciting outside  
But 'round here I'm just wasting my time  
Spinning 'round on nothing new  
When I close my eyes I remember that kiss  
I'd rather keep them wide open  
And if I miss that train do you really think  
That even here, I'd be closer to you So here I am leaving soon and  
I'm standing at gate 22  
'Cause whatever you may think I forgot  
You know I'm still thinking about it  
Sometimes I wish I could stay  
But no matter where I go, no matter how long  
You know I'll keep hanging on. Sweet memories  
I'm leaving but my mind will surely stay  
At gate 22 There's too many dreams I must chase down  
Though sometimes I bite off more than I can chew  
I know you'd like to keep me near  
I know it's easier to be two  
But I can't plan my life all around you  
I'm weaker than I'll let you know  
So don't ask me to jump this wall  
From here it looks too tall  
Two people kissing goodbye facing a door  
A classic picture we're all tired of So here I am leaving soon and  
I'm standing at gate 22  
'Cause whatever you may think I forgot  
You know I'm still thinking about it  
Sometimes I wish I could stay  
But no matter where I go, no matter how long  
You know I'll keep hanging on. Sweet memories  
I'm leaving but my mind will surely stay And I already see the picture of that day  
When you'll say you'll wait for me  
And I'll pretend just then to believe you  
I'll send you postcards for a few weeks and then  
Another perfect moment at the wrong time  
But the timing is always wrong Here I am leaving soon and

I?m standing at gate 22  
?Cause whatever you may think I forgot  
You know I?m still thinking about it  
Sometimes I wish I could stay  
But no matter where I go, no matter how long  
You know I?ll keep hanging on. Sweet memories  
I?m leaving but my mind will surely stay  
At gate 22
