Dangerous

Rumer

Stop hanging around my window,
Stop hanging around my door,
Hey, don't you know that my heart has grown cold,
And I could never be, what you want me to be,
It's your love too dangerous,
I don't wanna broken heart againIt's your love too dangerous,
It's your love too dangerous,
It's your love too dangerous,
I don't wanna broken heart againLove did me wrong,
Now you want me to believe,
You won't hurt me,
Though you've let me down,
Now you want me to believe,
Your crib,
You want me to let go,
You want me to lose control,
You want me to let go,
I don't wanna lose controlIt's your love too dangerous,
It's your love too dangerous,
It's your love too dangerous,
I don't wanna broken heart againToo scare to trust,
But it's not because of you,
It's just what I've been through,
Love hurt me bad,
And I don't wanna be a fool for you,
You want me to let go,
You want me to lose control,
You want me to let go,
Oh I don't wanna lose controlIt's your love too dangerous,
It's your love too dangerous,
It's taking me a long time to feel better,
I've only just began to feel my heart again,
And all the while I know,
I don't want you to go awayI'm not afraid of you,
I'm just fighting my time,
I'm not afraid of you,It's your love too dangerous,
It's your love too dangerous,
It's your love too dangerous,
I don't wanna broken heart again,

It's your love too dangerous,
It's your love too dangerous,
It's your love too dangerous,
I don't wanna broken heart again.
