

Take Good Care Of My Baby

Bobby Vinton

Take good care of my baby
Please don't ever make her blue
Just tell her that you love her
Make sure you're thinking of her
In everything you say and do Take good care of my baby
Now don't you ever make her cry
Just let your love surround her
Make rainbows all around her
Don't let her see a cloudy sky Once upon a time
That little girl was mine
If I'd been true
I know she'd never be with you So, take good care of my baby
Be just as kind as you can be
And if you should discover
That you don't really love her
Just send my baby back home to me And if you should discover
That you don't really love her
Just send my baby back home to me
Baby, take good care of my baby
