

Nighttime

Greg Paulus

At nighttime I go out and see the people
Air goes cool and hurryin' on my way
And dressin' so sweet, all the people to see
They're lookin' at me, all the people to see
And when I set my eyes on you
You look like a kitty
And when you're in the moon
Oh, you look so pretty
Caught a glance in your eyes
And fell through the skies
Glance in your eyes
And fell through the skies
I'm walkin' down the freezin' street
Scarf goes out behind
You said, "Get them away
Please don't say a word"
"Get me out of here
Get me out of here
I hate it here
Get me out of here"
At nighttime I go out and see the people
Air goes cool and hurryin' on my way
A glance in your eyes
And fell through the skies
Glance in your eyes
And fell through the skies
