

Lifeless (BREAKDOWN SHOW)

Chelsea Grin

Get the fuck up! Your dress is lined with blood
You look so much better in red
And with your throat open
Your body twitches and squirms
As you suffocate on your own blood With your last thoughts I hope you think of everything I've ever done for
you
And how you left me to lie in my buried agony
I will never let myself sink that low again
But I'll let my knife sink deeper for reparations you bitch
Your eyes are getting heavy
But I won't let this end so quickly no, I want to watch you suffer I see your lifeless corpse
And I can't help but laugh
You brought this on yourself
Just Another wretched soul being slowly dragged to hell
This is the last life you fuck
