No Matter What You Do

Love

Do you remember me
I'm the one you talk about
Do you remember me
I'm the one you booted outNo matter what in the world you do
Hey, I'll always be in love with you
No matter what in the world you say
Girl, I'm gonna love you anyway
Do you remember when
You said that I was your true love
And you'd take care of me
And watch me like the stars aboveI just gotta hear you play it one time for everybody nowI just gotta hear you play it one time for the world now.
