Give Me a Reason

Portishead

This is another lonely morning
It feels like another lonely night
I'm almost sure I'll give up hoping
Or shouldn't I give it one more try
Give me a reason
To hold on to this love
Give me a reason
To stay strong in my heart
Show me a reason that I go on
Words came straight from the start
All alone
Give me one good reason
A reason to go on
Did I just see a tear in your eyes

Did I just miss a silent sign
Is it the end or is it my mind
Making it hard for you to try
Give me a reason
To hold on to this love
Give me a reason
To stay strong in my heart
Show me a reason that I go on
Words are straight from the start
All alone
Give me one good reason
A reason to go on
