

Give Me a Reason

Portishead

This is another lonely morning
It feels like another lonely night
I'm almost sure I'll give up hoping
Or shouldn't I give it one more try

 Give me a reason
 To hold on to this love
 Give me a reason
 To stay strong in my heart
 Show me a reason that I go on
 Words came straight from the start
 All alone
 Give me one good reason
 A reason to go on
 Did I just see a tear in your eyes

 Did I just miss a silent sign
 Is it the end or is it my mind
 Making it hard for you to try
 Give me a reason
 To hold on to this love
 Give me a reason
 To stay strong in my heart
 Show me a reason that I go on
 Words are straight from the start
 All alone
 Give me one good reason
 A reason to go on
