

# Let's Vibe (Feat. Pleasure P)

## Yo Gotti

And that's rea

Ooh yeah yay, Yo Gotti, Pleasure P

Let's do it, yeah Shawty ride or die here if I'm sober or high

She know just what to do to help a gangsta' get by

Shawty know I like head, she ain't trippin' at all

She go down on a nigga' and she a-swallow it all

Me and her done it all, catch us both at the mall

She can get what she wanna and it ain't trickin' at all

Shawty fuck with her nigga' her nigga' fuck with her back

She put her life on the line 'cause she a-ride with this sack

Wen I went back to the hood hustlin', movin' them birds

She was takin' up nursing, studying gettin' what's hers

I ain't chase her or sweat her try my best to protect her

When you fuck with a gangsta' baby, you bet I'mma bless ya

And that's rea If you wanna come ride then (let's ride)

If you wanna come smoke then (let's smoke)

If you wanna come drink then (let's drink)

If you wanna come vibe then (let's vibe)

Come vibe bay

I been thinkin' 'bout fuckin' you

I been thinkin' bout kissin' you

And touchin' and holdin' you (that's all I wanna do baby) When we out on the road grinding doin' my shows

She be callin' my phone like don't be fuckin' them 'hoes

She at home with my child I be flirtin' in the crowd

I need help I can't control myself these 'hoes be wild

Sometimes I think to myself, another nigga' in my bed

So I stop thinking all that shit'll fuck yo' head.

I take federal chances I work so hard for the bread.

Wonder if she a-keep it real if I eva' go to the fed

She gon' write me and visit me like I think that she should

Or she gon' disrespect me fuck another nigga' out the hood

I ain't chase her or sweat her try my best to protect her

I don't know about love I just know, just know money and pleasure

Believe that If you wanna come ride then (let's ride)

If you wanna come smoke then (let's smoke)

If you wanna come drink then (let's drink)

If you wanna come vibe then (let's vibe)

Come vibe bay

I been thinkin' 'bout fuckin' you

I been thinkin' bout kissin' you  
And touchin' and holdin' you (that's all I wanna do baby)Look here shawty  
You know I only know  
How to be one way  
And that's always realWhen yo' momma was trippin' talkin' 'bout kickin' you out  
You had nowhere to go I let you move in my house  
You can jump in my Benz, go stunt out on ya' friends  
I took you all around the world and I a-do it again  
You respected my grind 'cause you knew I had that work  
And I respected ya' mind because you still went to work  
See it wasn't 'bout the money, shawty kept it 100  
She stayed into it with her family because they knew I was hustlin'If you wanna come ride then (let's ride)  
If you wanna come smoke then (let's smoke)  
If you wanna come drink then (let's drink)  
If you wanna come vibe then (let's vibe)  
Come vibe bay  
I been thinkin' 'bout fuckin' you  
I been thinkin' bout kissin' you  
And touchin' and holdin' you (that's all I wanna do baby))Let vibe baby.  
I'm talkin' the guhs, college guhs  
I ain't trippin' I like 'em all ya' know  
I'm tryin'a ride with ya' shawty  
Tryin'a vibe with ya, kick back get high with ya'  
Whateva' you do know 'em talkin' 'bout
